Public Comments

There was continued discussion on the cul-de-sac/island removal on Cascade and in The Meadows. Cascade is a total rebuild with a narrow radius which makes it extremely difficult. The Township will hear recommendations from HOA's and decide how to move forward. Resident from The Meadows suggested that all cul-de-sac work be postponed until there is an annual meeting of their HOA.

Sidewalk Status – It is now the north end only. Sidewalk status is unknown. Widening 143rd was to be on the docket in 2028. Residents urged to discuss with CCCID what the plans are or if plans have changed.

Discussion of still vacant house in The Meadows – advised to call KDHE if house is a safety/health hazard

Drainage onto golf course – discuss with CCCID

CCCID meets quarterly

Carlson stated that projects must be on public property and make sense.
